Dear Parents/Carers

The children are having their individual photographs taken on Thursday 15th October.

Unfortunately, due to the current situation we are unable to have sibling photos taken this year as we cannot mix the year group bubbles.

The company that we are using (Vancols) are Covid compliant and fit in with our risk assessment procedures.

As uniform is not compulsory until after half term you can choose whether your child has their photo taken in uniform or their own clothes.

Kind regards

Mr Morris
