

# Ardleigh Green Learning Federation

Dear Parents / Carers

There seems to be some confusion as to when you should keep your children home from school due to Coronavirus symptoms or testing. In order to keep all bubbles open and us all safe, can we please remind you of the following:

- If your child/children have any Coronavirus symptoms – **please keep them at home, get a test and inform the school.**
- If anyone in your household develops symptoms – **please keep your child at home; get the relevant person tested and inform the school.**
- If your child or anyone in your household has a test and is **waiting** for the result – **please keep your children at home.**
- If they or anyone in your household receives a positive test – **please keep them at home for the required isolating period.**

If you have any concerns or questions regarding the above, please do not hesitate to contact the school where we will be happy to talk through any queries you may have.

Kind regards

Mr Morris
