Dear Parents

This is to inform you that sQuid have now reduced the amount that dinner money accounts can be overdrawn to £2.50. This means if your account does fall into deficit your child/children will not be able to book a hot dinner until the account is topped up.

Therefore, can I ask that all sQuid accounts be checked regularly and topped up where needed so children can continue having hot dinners when required.

Thank you for your support.

Mr Morris
